

Display Chest Freezers with Sliding Glass Lids

2 Years Parts & Labour Warranty

2-3 Working Days Delivery

UK Service Support

Manufactured In Europe

Showcase and store your frozen products with confidence using the Cobus Display Chest Freezer range. Designed for busy commercial environments, these units combine generous capacity with dependable performance, making them ideal for retail spaces, convenience stores, and food service operations.

With their clean white exterior and glass display top, these freezers not only keep your products at optimal temperatures but also present them attractively to customers - helping to drive impulse purchases and improve visibility. Built with efficiency in mind, this range features a reliable static cooling system and an eco-conscious design, ensuring consistent performance while helping to minimise energy consumption.

Combining practicality, efficiency, and professional presentation, the Sterling Pro Cobus display chest freezer range is a reliable solution for any business requiring effective frozen storage and display.

Model	Gross & Nett Capacity		Temperature Range	Baskets	Refrigerant	Energy Rating	Energy Usage	Dimensions (mm)		
SP251GC	215 ltrs	190 ltrs	-15°C to -18°C	3	R290a	C	2.96 kWh/24h	W805	D695	H860
